

Lib

A diagram showing a library structure. A large light blue rectangle with a dashed border is labeled 'Lib' at the top center. Inside this rectangle is a smaller light blue rectangle with a solid dark border. This inner rectangle contains five elements: 'Extensions', 'Data', 'Core', 'Components', and 'Scripts'. The first four elements are each inside a small blue box with a dark border, while 'Scripts' is just text. These five elements are arranged horizontally and separated by vertical dashed lines.
